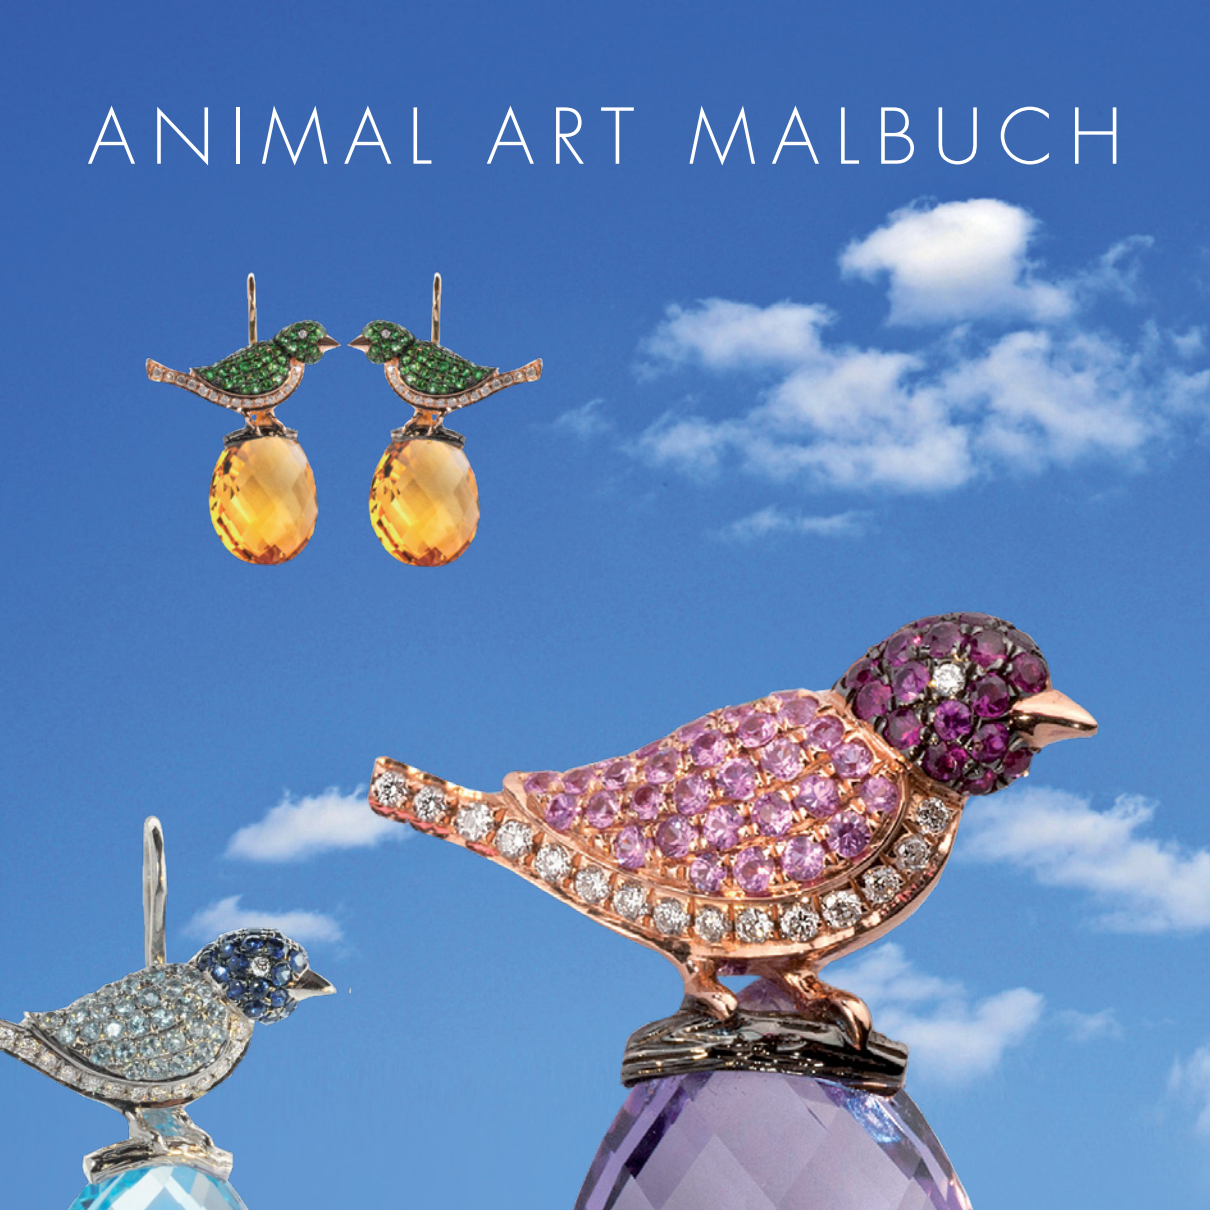
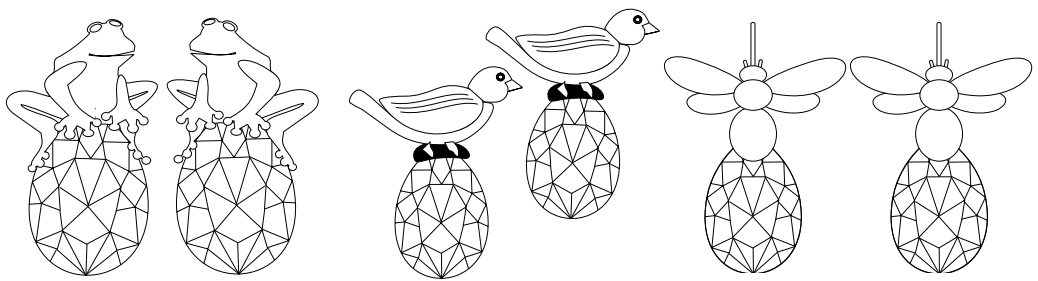
ANIMAL ART MALBUCH





ANIMAL ART

Mal mal! *Animal Art* für

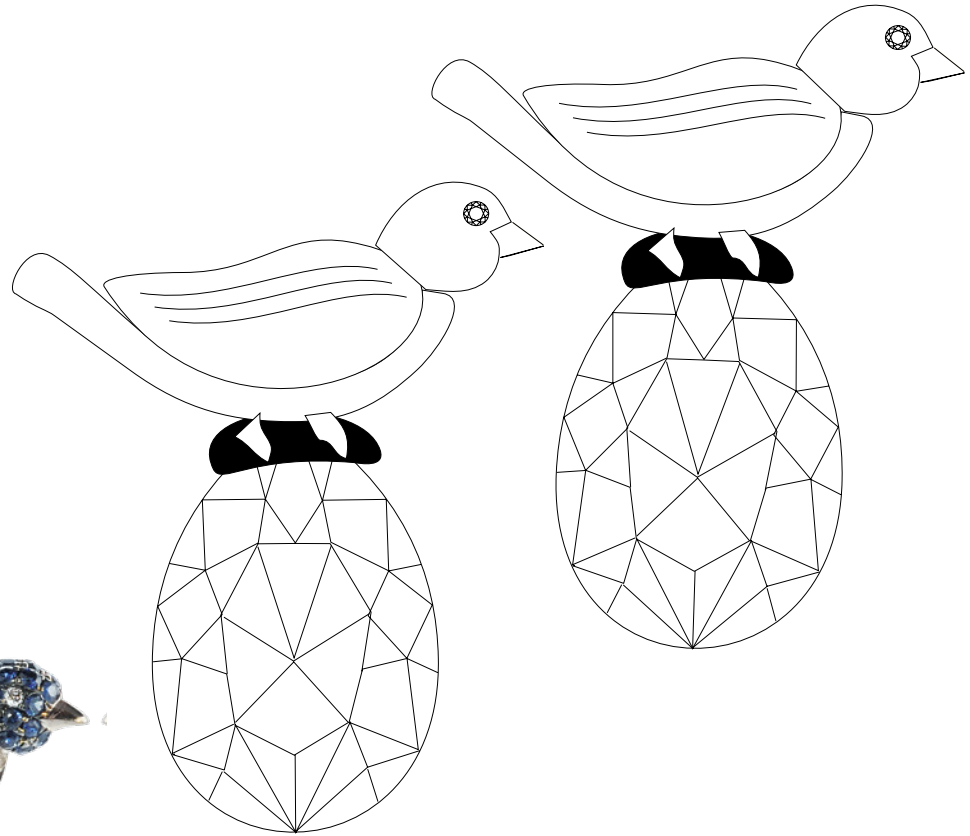
kleine Künstler.

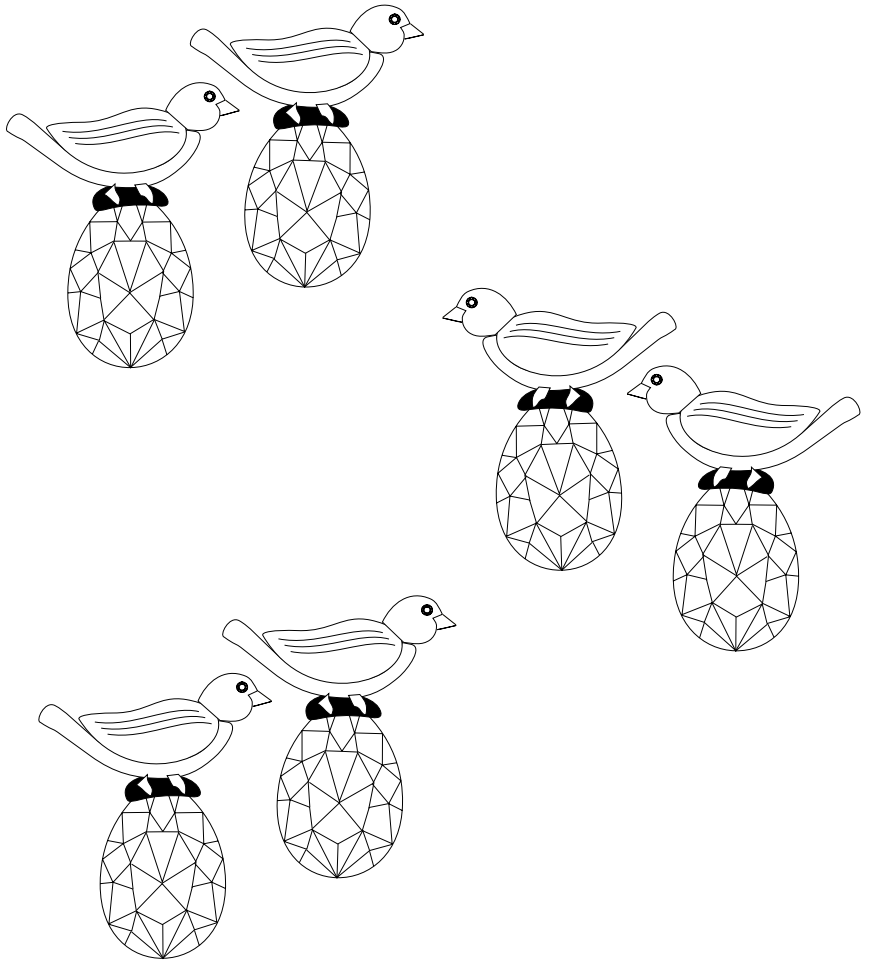
Uns bereiten die Tiere viel Vergnügen.

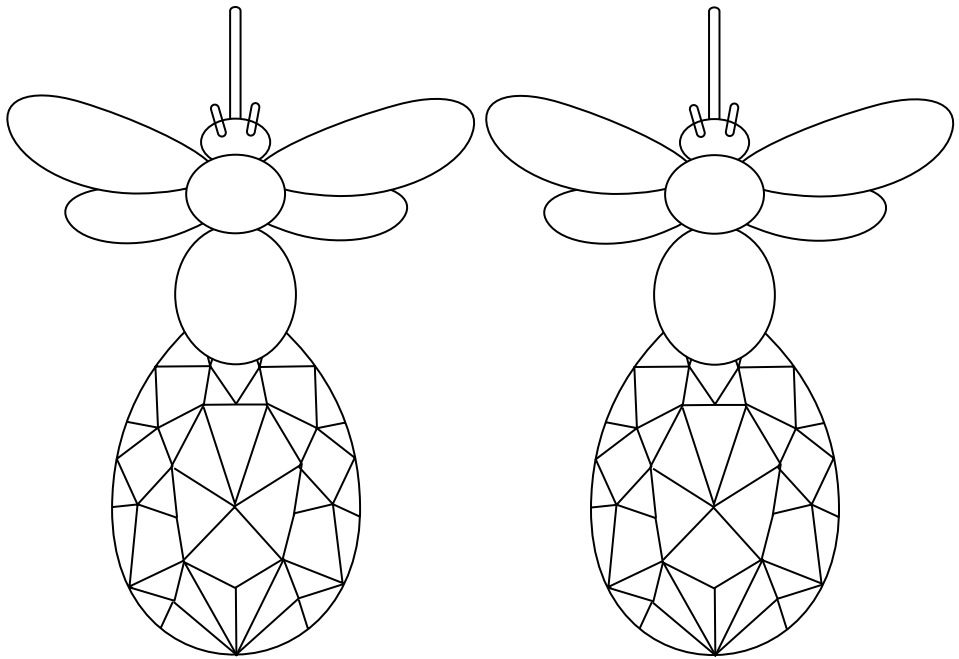
Viel Spaß wünschen wir auch *Euch,*

wenn ihr singt:

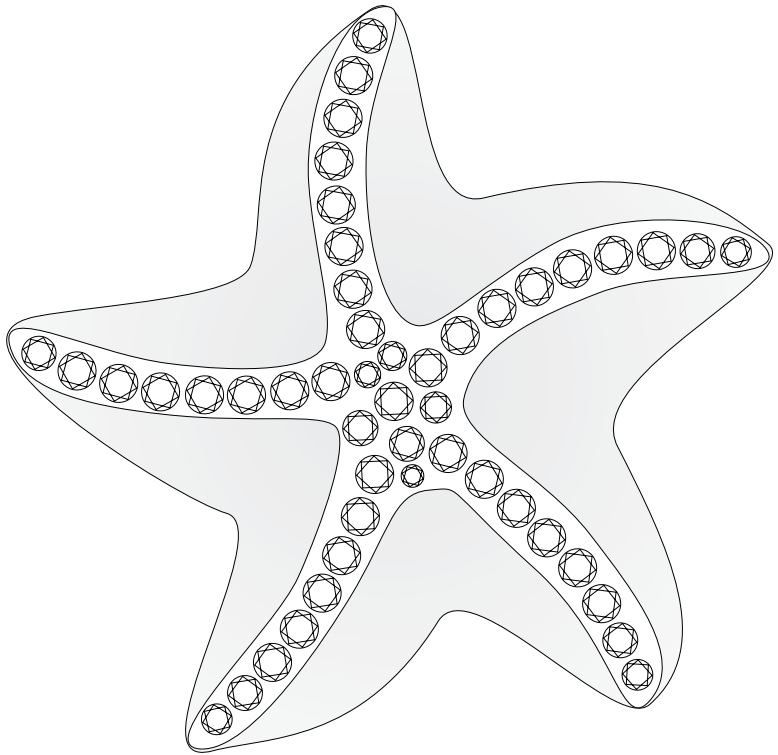
The animals went in two by two!

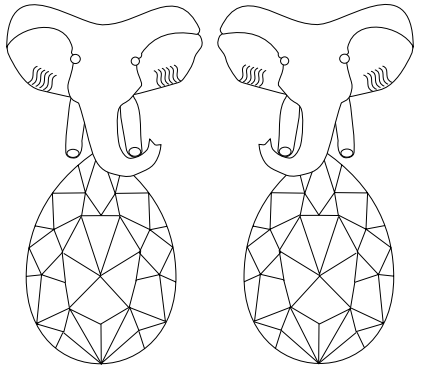


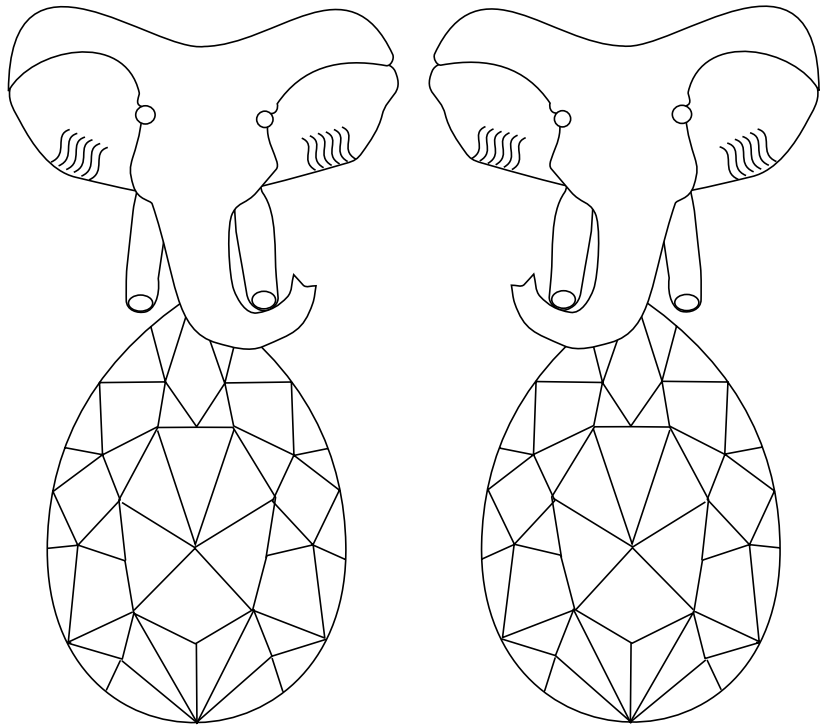


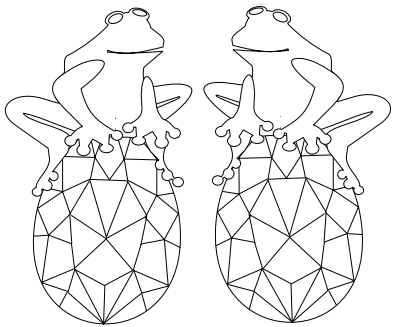


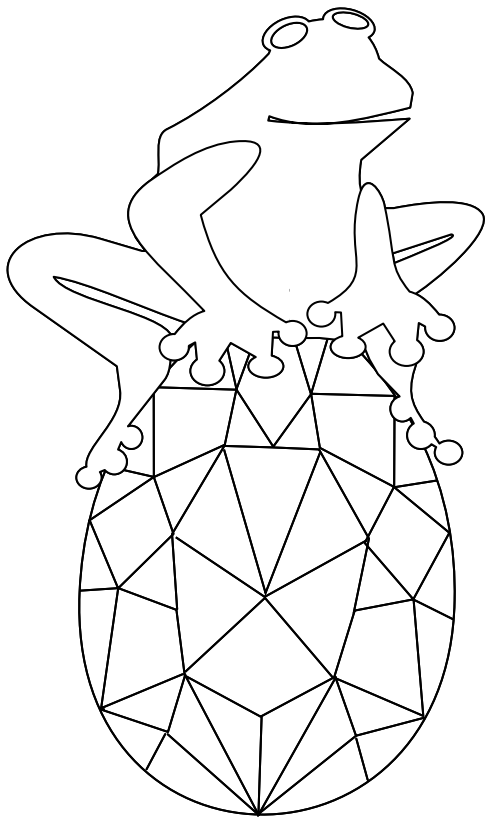
Für *Bienen*königinnen.

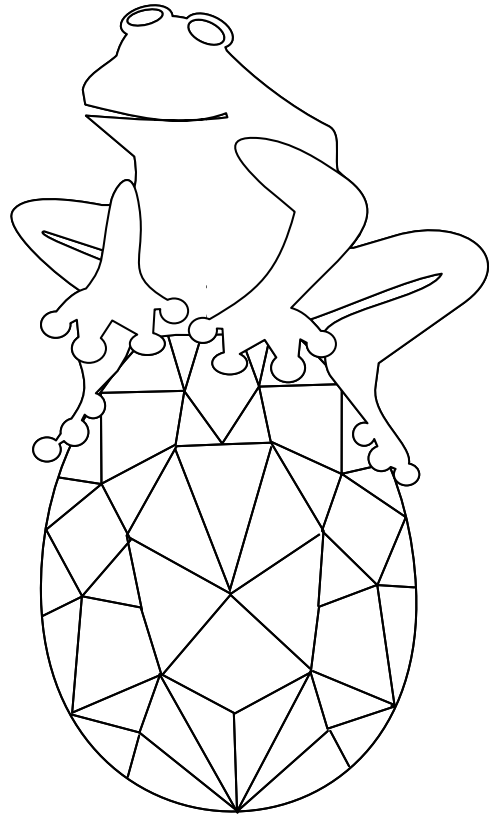


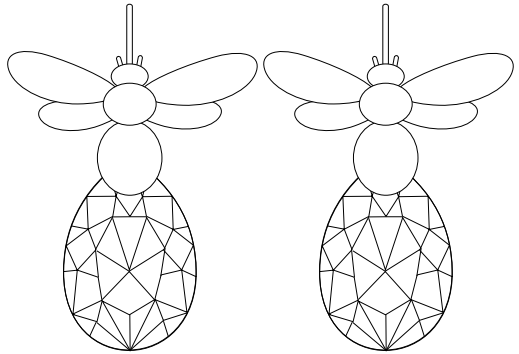


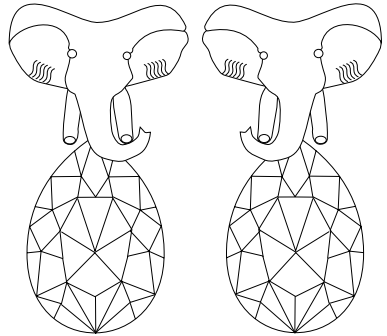


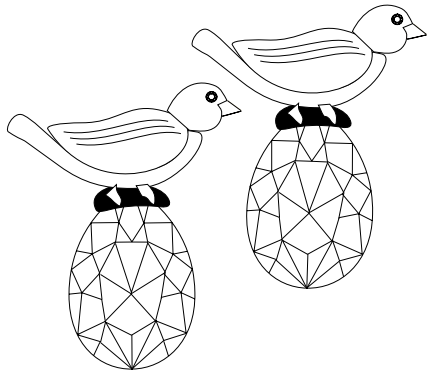


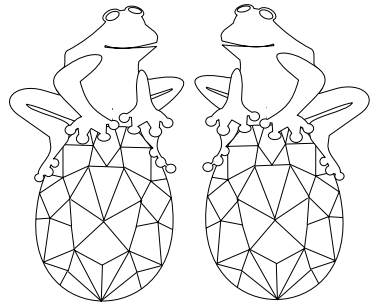












„The animals went in two by two“: Das wunderschöne Kinderlied über die Arche Noah hat uns zu unserer Ohrschmuck Collection inspiriert - immer schön *two by two*... Auch die Stadt-Spatzen, *Großstadt*-Kinder wie wir, liegen

uns am Herzen, denn sie sind wie viele Tiere

vom Aussterben bedroht.

Nun zieren feine Edelsteine ihr Gefieder, als Beute tragen sie einen *Edelstein* mit sich. Nach unseren Schlangenpaaren, den Fröschen, den Elefanten und den Bienen pfeifen es nun die Spatzen von den Dächern: *„They all went, they all went, they all went into the ark. Hurrah!“*
